

Meeting with Trade Commissioner, Embassy of Slovak Republic on 10th May 2025

The meeting with Ms. Simona Novosadova, Trade Commissioner, Embassy of the Slovak Republic in India, aims to explore bilateral trade agreements and investment opportunities between India and Slovakia across various sectors.

Key Sectors for Discussion

1. **Agriculture, Food, and Beverages:** Exploring opportunities for trade and investment in agricultural products, food processing, and beverages.
2. **Tourism:** Discussing ways to promote tourism between the two countries, including cultural exchange programs and tourism infrastructure development.
3. **Services:** Identifying opportunities for collaboration in services sectors such as IT, finance, and logistics.
4. **Chemical & Pharmaceutical:** Examining potential partnerships in the chemical and pharmaceutical industries, including R&D and manufacturing.
5. **Electronics & Electronics Components:** Discussing opportunities for trade and investment in electronics and electronics components, including manufacturing and supply chain development.
6. **IT & AI:** Exploring opportunities for collaboration in IT and AI, including software development, data analytics, and innovation.

Potential Benefits

1. Diversification of trade and investment between India and Slovakia.
2. Identification of new business opportunities and partnerships.
3. Enhanced economic cooperation and mutual benefit.
4. Increased competitiveness and innovation in key sectors.

Expected Outcomes

The meeting is expected to provide valuable insights into the trade and economic relationship between India and Slovakia, highlighting opportunities for growth and collaboration. It may also lead to new business partnerships, investments, and trade agreements.
